# Introduction

The **UIA World Forum of Mediation Centres** was created in 2001. Every nine months it brings together some of the best commercial mediation practitioners and officers of commercial mediation centres from around the world, together with lawyers, business managers, academics, trainers, and others interested in learning and sharing insights about the development and use of the mediation process. Usually there are participants from 15 to 20 or more countries in attendance, often from four or five continents, each bringing a different perspective on the use and development of mediation in their jurisdiction.

Whether you are from a place in which mediation already is readily accepted and integrated into the system of dispute resolution, or from one in which the "Dispute Resolution Revolution" is still in a not-yet-fully-accepted stage, there is something of value for you at the Forum. Each one is designed to enhance your knowledge about the mediation process, and to help you identify best practices as a mediator; both of which are accomplished through the various topics in the sessions, typically led by deeply-experienced mediators.

Equally, if not more, importantly, it also will provide you with ample opportunities to develop relationships and exchange insights on the development and use of mediation with colleagues from a multitude of different cultures around the world. That opportunity can have a profoundly beneficial impact on your professional expertise. To do so at one location is unique to an international event; and convening every nine months is unique to the Forum.

We are excited to have you join us for the **36th Forum** in **Barcelona**. It will be an unforgettable international event, and colleagues from around the world have already confirmed their participation. **Since attendance at the sessions and lunch/dinner meals will be limited to the spaces available, be sure to register early so that you won't miss out.**

**We look forward to seeing *you* in Barcelona!**

*How old were you when you learned mediation? What if you learned it in grade school? This session will explore how peer mediation programs work in K-12 schools. Learn about Best Practice Standards developed for peer mediation programs and practical ways to implement these programs in your schools. Make sure your school has the infrastructure and patience to succeed. 12:30 – 14:00 LUNCH

14:00 – 15:30 MEDIATION IN THE AI ERA: A Watershed Moment? Turning the Growing Complexity of Disputes into an Opportunity for Mediation

*As generative and agentic AI increasingly transform judicial and arbitral proceedings, potentially multiplying the complexity of major disputes through the virtually unlimited production and analysis of evidence, could mediation emerge as a more compelling alternative than ever before? Skilled mediators, themselves making intelligent use of AI tools, restoring communication while freed of the constraints of legal positions, can cut through seemingly overwhelming complexity and return the parties to the fundamentals of conflict resolution. Bringing together experienced mediators from different countries, this panel will explore whether we are approaching a watershed moment for international commercial mediation, particularly in disputes arising from AI and emerging technologies. Above all, it will address a practical and strategic question: How can mediators demonstrate and communicate their distinctive value as the human alternative to increasingly AI-driven judicial and arbitral dispute resolution and overcome the obstacles that continue to limit the adoption of mediation in major international disputes?*

Moderator & Speaker: Pierre KIRCH, *Avocat à la Cour (Paris/Brussels), Certified Mediator, Adjunct Professor on the Law of Artificial Intelligence, Catholic University of Paris, Paris, France*

Speakers:
Prof. Dr. Renate DENDORFER-DITGES, *LL.M. Partner / Lawyer / Arbitrator / Mediator, DITGES Partnerschaft mbB, Bonn, Germany*

15:30 – 16:00 COFFEE BREAK

### 16:00 – 17:00 TO CAUCUS OR NOT TO CAUCUS: THAT IS THE QUESTION

*Private sessions are one of the most widely used – and most debated – tools in the mediator's toolbox. Drawing on the understanding-based model developed by Gary Friedman and Jack Himmelstein in Challenging Conflict: Mediation Through Understanding, whose Spanish translation the speakers are completing, this session compares mediation models with and without caucus and asks when separate meetings help the parties move forward, and when they risk undermining mutual understanding and the parties' own decision-making.*

Moderator & Speaker: **Marlen ESTÉVEZ,** *President of the Madrid Business Mediation Center (CMEM), the Mediation Service of CIAM–CIAR, Managing Partner, MAREST LAW, Spain*

Speakers:
**Eliseo M. MARTÍNEZ,** *Managing Partner, IUS+AEQUITAS Trial Lawyers, Madrid, Spain*

**Jan KAYSER,** *Director, Centre de Médiation Civile et Commerciale (CCMC), Luxembourg City, Luxembourg*

### 17:00 – 18:00 BEST PRACTICES FOR CONDUCTING REMOTE/VIRTUAL MEDIATIONS (with a focus on ZOOMediations)

*During the pandemic, many of us had to learn quickly how to use technology in order to continue to provide mediation services. Since then, we've learned a number of "Best Practices," that, when followed, help mediators create viable and valuable mediation experiences for the participants. We'll address many those practices: How to set up your physical location to conduct virtual mediations. How to set Zoom's "toggle switches" in advance, to create an optimally secure process. What to do in advance with participants in your next mediation. How to set up for the mediation immediately prior to its beginning. What to do to make it a more efficient and effective process during the mediation session. Bring you own ideas and experiences to share, to help enlighten all of us as to what works best.*

Moderator & Speaker: **Ross W. STODDARD, III**, *Co-President of the UIA World Forum of Mediation Centres, Attorney-Mediator, Dallas, TX, USA*

### 13:00 – 14:15 LUNCH

### 14:15 – 15:15 LET'S TALK PLAINLY: FEE PLEASE! – PART II: HOW SHOULD MEDIATORS BILL?

*In Athens, we asked whether mediators should be paid at all. In Barcelona we take the next step: once the answer is "yes", how should mediators charge for their work? Hourly, daily or fixed fees; preparation and travel time; cancellation and postponement charges; how the fee is split between the parties and collected up front; and whether any success-related element can ever be compatible with the mediator's neutrality. Panellists from the UK, the USA, Italy and Spain will compare their practices and those of the mediation centres they work with, and share how they set, justify and communicate their fees. Bring your questions – and your own experiences!*

15:45 – 17:00 THE CHALLENGES OF MEDIATING SHAREHOLDER AND PARTNERSHIP DISPUTES

*Shareholder and partnership disputes sit at the intersection of business, law, and personal relationships, where mediation offers a confidential, cost-effective way to resolve conflict while preserving interpersonal ties and the value of the company. Drawing on practitioner experience, speakers will show how mediators manage these high stakes, often deeply personal, conflicts to reach durable, enforceable outcomes.*
